Changes to Higher Education courses within the Hugh Baird University Centre (HBUC)

1. HBUC will seek to deliver each programme in accordance with the description set out in the Course Information at the offer stage. However, there may be situations in which it is desirable or necessary for the University Centre to make changes in course provision, either before or after registration. Changes might happen due to:
 - Significant crisis such as pandemics.

- Local health emergencies.
- Normal circumstances (desirable to improve courses or necessary to make changes).
- If the programme depends on the availability of specialist teaching or if certain elements of the course can longer be guaranteed.

a. Non substantial (minor change)

HBUC will not normally make very substantial (such as significant restructuring, substantial change in course content) changes to courses. However, where desirable or necessary changes are to be made to programmes HBUC will offer, where possible, appropriate, and alternative options for affected students. Students who do not wish to accept any alternative arrangements will have the opportunity to withdraw from your programme. In very exceptional circumstances HBUC may need to suspend, discontinue, or combine courses. This may be because of academic changes within subject areas, as a result of low student numbers on a course and such changes will be communicated to students at the earliest opportunity.

b. Substantial changes (major change)

HBUC will respond where substantial changes are required such as, because of a pandemic, epidemic or local health emergency necessitating measures to reduce risk of infection or illness arises HBUC may make reasonable changes to comply with government or local authority regulations or guidance. This may include providing teaching, assessment, or other services wholly or partly online, moving the location of teaching and/or restricting student numbers permitted to attend any class, imposing rules such as social distancing measures, varying, limiting, or cancelling any course content, or optional modules. When making such changes we will still provide the core competencies and learning outcomes of each course, and broadly equivalent teaching, assessment and other services. changes will be communicated to students at the earliest opportunity.

c. Increase in tuition fees (major change)

If your course is longer than 1 year, your tuition fees may be subject to increase in the second and subsequent years of the course. This will be limited to increases in inflation based on the Retail Price Index.

1. Course changes:

- a. The College reserves the right, in the interests of financial viability, operational necessity or to improve the quality of the learning experience to make alterations to courses – such as altering timetables, tutors or venues – provided such alterations shall not affect substantially the course content or qualification for which you have enrolled. At all times the College shall communicate such changes to students (and employers, where relevant) as soon as such changes have been agreed.
- b. The College shall consider whether a course should run or not if there are 12 or fewer confirmed enrolments. The College shall consider whether further groups should be opened if there are 24 or more confirmed enrolments. The College shall confirm as soon possible that a course is running and usually this

will be by the date at which the first formal lesson was due to take place. On occasion, the College reserves the right to postpone a course, aiming for it to commence later in the year.

- c. The College reserves the right to cancel, combine or reschedule courses and/or classes in the interest of efficiency if, in the opinion of the College, there are insufficient enrolments or attendees. In such cases, the College will make every attempt to offer suitable alternative provision.

2. **Fees:**

- a. All course fees will be subject to annual review and may be subject to change.
- b. Where a student or other sponsoring third party (such as an employer) is eligible to pay course fees, the College shall make clear in writing the timetable by which payments will be required. Should this schedule not be adhered to then the College reserves the right to both cancel the student's enrolment at any time and not to refund any fees already paid.
- c. The College reserves the right to review every year the amount of money or equipment paid to students in the form of a bursary or other such financial arrangement. Such awards would normally be issued on an annual basis and, in situations where a student may be eligible for an award for more than one year, the College reserves the right to alter the value of this support from one year to the next. In such situations, the College shall notify all students concerned of changes to financial awards as early as possible.
- d. For Higher Education:
 - i. All fees that Higher Education students will be expected to pay and financial awards can be found on the College's website.
- e. For other students who are eligible to pay fees (or who have their fees paid by a third party):
 - i. An additional enrolment administration fee of £30.00 may be charged. This fee is not refundable under any circumstances.
 - ii. All course fees contained in official College literature are assumed to be correct at the time of going to press. At times, course fees may alter between the time of publication and the start of the course. The course fee communicated in writing at the time of enrolment shall be the fee, which is liable. Should the actual course fee be more than the fee originally communicated then the student – or the employer, where relevant – has the right to cancel their course and a full refund will be provided by the College. Should a student – or the employer, where relevant – wish to continue their course at the higher fee then the student – or the employer, where relevant – will be liable for the additional amount owing. Should it transpire that the actual fee is less than the fee originally communicated then the student – or the employer, where relevant – will be refunded the difference.
 - iii. The College shall make clear during the application and enrolment process any significant additional costs that the student is likely to be asked to pay during their course for aspects such as, for example, compulsory kit and equipment and contributions to residential trips. Such costs will not normally be expected to be paid at the time of enrolment and, whilst every effort will be made to ensure that they are as accurate as possible, the College reserves the right to amend such costs at a later date provided that such

amendments are minor. Should an eligible student – or the employer, where relevant, having been informed of an additional cost at the start of their course, refuse to pay then the College reserves the right to refuse to provide the goods or service for which the money was requested and to withdraw the student from their programme of study.

- iv. Where a fee-paying student leaves a course part way through without completing, the student– or the employer, where relevant – will remain liable for the full fees in relation to the course.

3. Cancellation:

- a. Course cancellation is the decision not to run a course, i.e. a specific mode of a programme from a specific start date in a specific location, after it has been advertised as available to prospective students e.g. in the prospectus or on the College website.
- b. Hugh Baird College will ensure that, in the event of the cancellation of a course the College will inform applicants as soon as possible using phone calls and letters.
- c. In the event of a course cancellation, the Director of Higher Skills/Directors of Curriculum supported by the Admissions Team, are responsible for ensuring that students are informed in a timely manner.
- d. Courses may be cancelled when there are judged to be insufficient numbers for the course to be viable either on academic or efficiency grounds.
- e. Courses may be cancelled when insufficient resources are likely to be available to deliver the course and meet the College's quality standards and framework.
- f. The Admissions Manager must inform finance staff of cancelled courses for the purpose of refund of tuition fees.
- g. Hugh Baird College will aim to minimise the inconvenience and cost to students of the course cancellation.
- h. Hugh Baird College will work to try to help students to find a suitable alternative course.
- i. In the event of a course being cancelled in the interest of efficiency or a student – or the employer, where relevant – declining a course rescheduled in the interest of efficiency, the College will refund in full all course fees within fifteen working days. In such cases the College liability shall be restricted to a refund of any course fees paid to the College by the student, their representative or their employer.
- j. In the event of a course being cancelled for reasons outside of the control of the College, the College shall be under no obligation to provide a refund of fees paid. Should monies be refunded in such a situation, this would constitute a gesture of goodwill and be made without obligation or liability.
- k. A student – or the employer, where relevant – has the right to cancel their enrolment within fourteen calendar days of the date stated on their enrolment form by informing the College in a letter addressed to the Admissions Manager, Hugh Baird College, Balliol Road, Liverpool, L20 7EW. Any course fees already paid within this period of time will be refunded in full. Any fees paid to the

College for examination entry, awarding body registrations or for kit and equipment that the student has already received will not be refunded.

4. Removal from programme due to non-attendance:

- a. If, during the academic year, a student has not attended at all for a period of three consecutive academic weeks and not kept a member of College staff informed as to the reasons why and/or not engaged with attempts of College staff to make contact then the College reserves the right to cancel the student's enrolment. At certain times of the year – such as the very start of term – the College may make this decision earlier than the three-week period should a student with no or extremely low attendance not have kept a member of College staff informed as to the reasons why and/or not engaged with attempts of College staff to make contact.
- b. If during the academic year a student has not attended or has low comparative attendance for one or more elements of their programme of study (e.g., GCSE English class) the College reserves the right to cancel the student's enrolment for their full programme of study. This decision will be made irrespective of levels of attendance on other aspects of their programme of study.

5. Removal from programme due to disciplinary sanction:

- a. Should a student's behaviour be such that it is required to be addressed through the College's Disciplinary Procedure, then, subject to the procedure having been followed, the College reserves the right to cancel or suspend the student's enrolment for their full programme of study should that be a recommendation arising from the disciplinary process.

6. Financial arrangements for educational visits

Where arrangements are made by the University Centre for an educational trip to take place, and students qualify to take part in such a trip, the following terms and conditions shall apply:

- (i) Students shall only be permitted to participate in any educational trip when evidence of payment of tuition fees, in respect of their course, is in place;
- (ii) Payments in respect of an educational trip must be made, without exception, by the date(s) specified by the University Centre. Should a student fail to make payment by the date(s) specified, the student shall not be permitted to participate in the trip;
- (ii) Students shall understand that all payments in respect of an educational trip, including any deposits made, shall be non-refundable in the event that the student cancels their booking, or fails to make payment in full by the date(s) specified by the University Centre. This includes deposits, payments by instalment and any payments made in full;
- (iv) In the event that a student cancels their booking, having paid in full, the amount paid shall be non-refundable, unless the tour operator's terms and conditions permit a refund of any kind. In an instance where the University

Centre facilitates a refund with the tour operator, the College shall apply an administrative charge of £50.

- (v) In the event that a student wishes to transfer their place to another qualifying learner, having paid in full, an administrative fee of £50 shall be payable to the College in advance of any such transfer, in addition to any administrative charge made by the tour operator.
